Andreas has specialised in financial services and in debt capital markets.

Andreas provides legal advice to Danish and foreign financial undertakings on debt financing and financial regulatory matters. He also advises lenders and businesses on structured financing and securitisation.

In addition, Andreas offers expert advice on derivative financial instruments (derivatives) and represents clients in litigation and appeals within his areas of expertise.

Andreas is active in Kromann Reumert's on-going development of the Banking, Financing and Financial Services practice areas.
