Line Havndrup specialises in real estate and construction law and is particularly engaged in real estate project development and in construction law.

Line advises private and public clients and foundations in cases concerning project development and construction contracts.

She has extensive experience in negotiating and drafting contracts for the different stages of a project, including in relation to purchase and sale, contracting and leasing. Her experience has been gained from various projects, including large urban development projects in Aarhus.

Line's work is characterised by her focus on value-adding solutions and her analytical and structured approach to problem solving.
