Practice areas
[Financial Services](#)

Benedicte Barfoed Holm advises on regulatory matters and contracting in finance.

Benedicte is experienced in the regulation of the activities in Denmark of Danish and foreign banks, investment associations, investment funds, investment companies, and other financial undertakings.

She advises foreign clients who either wish to carry on financial business activities by setting up a branch in Denmark or by offering cross-border financial services in Denmark.

Lastly, Benedicte is an experienced adviser to financial businesses on complex contracts for financial instruments and also assists in the drafting of such contracts.
